Bobike Plus is the new model of the Bobike helmet range. With an in-mold construction, this model features an increased back safety protection, along with safety reflective stickers in order to increase the child visibility on the road. 3 different graphics will definitely match your older kid imagination and taste.

With multiple vents to help the perspiration of your child the helmet also features a bug net to keep your child safe from little flying insects. The slim DIAL system and the thermoformed inner paddings will increase the fitting and the comfort of the child.
