

DIEFFE

CYCLING ACCESSORIES

ABOUT DIEFFE

Dieffe offers a set of essential accessories for the regular cyclist who likes to take his bike from time to time for leisure or even amateur sports.

Our portfolio offers several colors and mounting systems for children's bicycle seats, allowing kids to be included in these cycling activities.

You will also find some complementary accessories such as mudguards to ensure the protection of the cyclist and the bike, or even a range of water bottles to ensure the hydration of the child or adult.

DIEFFE

Cycling accessories for your casual rides.

DI-THERMAL

THERMAL WATER BOTTLE

FEATURES

Thermal efficiency

Isothermal double wall structure: Double-wall construction keeps water cold twice as long as regular sports bottles.

At an ambient temperature of 23°C, the thermal bottle takes 3 hours to go from 5 to 15°C (the temperature limit for which the drink is still cool).

Cap with soft push-pull tip and protective cap.

Cap can be completely removed for better cleaning and fill-up.

Wide-mouth opening is easy to fill with ice and water and a breeze to clean.

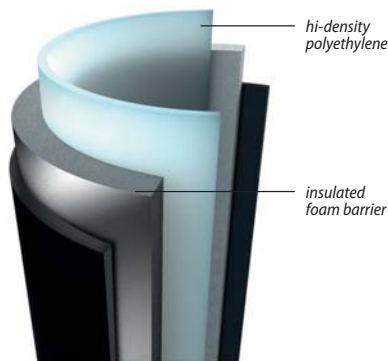

Bottle body with easy-squeeze polyethylene - delivers the right flow to quench your thirst.

Regular Hi-Flow of liquid.

Ergonomic grip.

BPA FREE

Complies with food contact regulations: Regulation 10/2011
